Notes from **Rogo Field** about club member's adventures

Hi guys, there has been some misuse of the club e-mail list recently. That list is private and if you received it accidentally you should destroy it. The recent exchange regarding Ronnie's MIG should more properly be started in the TEMAC section of the EMFSO Forum. Thank you, The Board.

Happy
Mother's Day
to all our
Mothers

On Saturday we had a small contingent of helpers as we had a small task in hand.

We put down 55lbs of sunshine grass seed from Fair Green Sod Farms.

Thank you to
Greg Hazelton
Timmy Hazelton
Grace Hazelton
&
Conrad Higgins
For all their help.

It started out
as a bog stock
Apprentice

Convert it to a tail dragger.

Add a more powerful motor

Add a bigger ESC

Add Fowler Flaps

And a wicked paint job and you have

Avri Saporta's winter project.
